

THANK YOU FOR YOUR

Generosity

The City of Watertown Park and Recreation Commission welcomes individuals, community groups and organizations to donate park furniture for our City parks.

By making a donation you can have your group recognized, provide a memorial to a special person, or honor someone for his/her contributions to Watertown. The City will provide an inscribed commemorative plaque with your personalized message and place it on your item. Anonymous donations are welcomed as well.

If you would like to sponsor the purchase of park furniture, please fill out the request form provided in this brochure.
