

Watertown City CouncilJanuary 22nd, 2019**Agenda Item: Donation to the Park Fund****Request for Action: Adopt Resolution #2018-15, Accepting Donation & Directing its use****Department: Shane Fineran, City Administrator****Background:**

Jim May, owner of Marketplace Foods in Watertown is donating \$5,000.00 to the City for development of a disc golf course within the community.

In 2019, the City identified development of a disc golf course as part of its capital investment plan within the Park Fund. Currently former Park Commissioner and resident, Alan Hansen-Begg is working on designing a layout of a course utilizing space at the Oak Grove Community Park that we hope to bring to the Park Commission for review later this year.

Staff recommends acceptance of the donation and the direction of its use.
